The 2015 Xpeed Fun Summer Camp only hosts K-12 students for an age group between 6 to 18 years old. One whole year in public or private school kindergarten program has been prerequisite for any pupil to enroll in the 2015 Xpeed Fun summer program. GeNXLA uses technology and elite private one-on-one tutoring system to make students learn more than 10x times faster, deeper and more than elsewhere. Every student at the Xpeed Fun summer camp can have access to hundreds of world-class best interactive learning apps and paper books. The 2015 Xpeed Fun camp has three concentrations: math, reading and science. For math, all students can achieve at least three years of competitive advantage ahead of the public school learning curve if students have been preparing at least six months ahead in memorizing the 12x12 times table. For reading, the Xpeed Fun camp focuses on helping students rapidly build a large vocabulary by reading hundreds of advanced books at required speeds either on high school or even college level. The Xpeed Fun procedures will help students associate words in many dimensions so that they can memorize them much longer. And reading dose will reach millions of words in total, depending on each kid's current reading level. For science, students get exposure on many subjects like Chemistry, Physics, Computer, etc.

Prerequisite Requiements for student before attending the Xpeed Fun camp:

- [] 1. Attention span of 60 minutes or better, the longer the better.
- [] 2. Know the multiplication table up to 12 times table. (which is very important!)
- [] 3. Fast typing speed (minimum of 30 words per minute without looking at keyboard)

Please make sure you have completed and return ALL of the following forms in order to complete the registration process by the Xpeed Fun Registrar Office:

- [] 1. These 2 Pages of Applications Form
- [] 2. Medical Note or Clearance from Physician, which can be submitted later before camp
